

Big Changes at CFCM

CFCM Goes Electronic

All future regular Issues will be available for electronic delivery in PDF format or on-line as an archive on the website www.cfc.ca.

Web Addresses in ads and editorial will be active links.

Readers can sign up for an email notice of the publication of the Electronic Edition and qualified Canadian readers can also receive the print edition by post.

Please send an email to brian.jones@cfc.ca stating you would like to receive the electronic Edition including:

Name, Title Company Name, Address and Industry.

To receive the print edition a mailing address is also required.

Canadian Readers can receive both editions free or may opt for either the print or electronic only.

Foreign readers may receive the electronic edition free.

The Annual Buyers Guide is already on-line at www.cfc.ca.

Big Value for Advertisers

CFCM has in a short time become Canada's largest trade magazine for Paint and Coating Manufacturing and Industrial Finishing.

Advertisers with a 1/2 standard journal page or larger ad will receive equivalent space in a **Free Corporate Profile**.

We will even write it for you.

Editorial Features:

Industrial Finishing

Powder Coating
Stripping

Paint and Coating Manufacturing

Pigments
Low VOC Latex Paint Additives

Plating and Anodizing

Automotive Plating
"Green" Replacement Technologies
